## Introducing: SR White Oak Table Set

A new take on our SR Outdoor Table Set, the SR White Oak Table Set is fabricated in Los Angeles and is made of enameled aluminum and American white oak hardwood. The durability of tight grain white oak along with refined detailing make this table set suitable for both indoor and outdoor use.

Each table set is made to order with your choice of 210 baked enamel colors. The white oak comes untreated to allow for the natural aging of the wood, or stained (clear) to seal the wood and preserve the initial color. Comfortably seats 6 to 8. Available as a set or as individual pieces.

Approximate dimensions:
